TO WHOM IT MAY CONCERN

This to certify that Mr. Vipul Raj son of Rajendra Kumar has worked as a **Structural & Estimating Engineer** in our organization from period 16-4-2014 to 05-05-2016. His work in the organization was to design multi-storied buildings, preparation of Estimates and getting these sanctioned from competent authority. At the same time has designed some irrigation Weir/Check Dam also along with estimates for Pipe Line Water Supply Schemes & Sewerage- Drainage Projects in various district in Jharkhand. He has good knowledge of AutoCad, Etab, and Stadd-Pro. During these period he had some execution work also. During his tenure with us, he was able to handle the assigned responsibilities and found him to be sincere, energetic, efficient & very productive. We have found him to be self confident who is motivated, duty bound and a highly committed team member with strong knowledge. His behaviour with seniors and other employees was praise worthy. We wish him all success in his future endeavors.

Thanking You,
