So what makes
InfoBeans the workplace
that it is?

Amazing
Culture

Exquisite
Perks

Great Career
Opportunities

Super Cool
Workplace

Culture

Shobhit Sethi
QA Lead

Returning from US after 3 years, I wasn't sure how it'd work out, but it turned out pretty good. The infrastructure, flexibility, friendly environment, celebrations, workshops and a good career roadmap. I am happy with my call to join InfoBeans.

#culture

**OPEN
CULTURE**

- Anybody can talk to anyone
- Convey any suggestion or concern
- NO hierarchical structure

**WORK LIFE
BALANCE**

- Stress free approach
- Massage therapy
- Festivities
- Mega events
- Sports meet
- Manthan entrepreneurial series of events
- Rewarding culture

**TRUST &
RESPONSIBILITY**

- Risk taking is encouraged
- Flexibility with responsibility
- Flexi timings
- Fail fast, learn faster

Perks

Akhilesh Bhale
Project Manager

To buy your first car is a special feeling but to get one as a reward for your efforts is something in a different league. Amazing gesture!

#rewards #perks

Company Leased Car
For exceptional talent

Club Memberships
Includes family members as well

Longevity Reward
2 weeks extra vacation

Smartphones
Company paid smartphones for high performers

Medical Support
All team members can consult for routine health issues

Career

Arpit Jain
Head - UX Design

My career map looks like QA > iOS development > pre-sales > UX Design. It's a testament of free revving culture at InfoBeans. I love the freedom here and how it encouraged me to shape my career!

Amazing opportunity to grow

Combined experience & pedigree

Extensively experienced team, great opportunity to leverage their wisdom

Clients

Ranging from Fortune 100 companies to passionate startups from USA & Europe

Infinite passion

A team that will go an extra mile to support in thick & thin and help you build your career

Workplace

Pankaj Nawal
Senior Manager - US Sales

Having worked in the US almost all my career, I was a bit apprehensive about the work culture in India. InfoBeans gave me the Work-Life Balance and proved my apprehensions were misplaced.

Celebrations

Infrastructure

Next Steps!

We map your profile to career options

We help you visualize the job profile

We figure out if we are a match for each other
