Dear Sir,

To Whom So Ever Concerned.

I, Ganesha Shetty B, Proprietor of Cauvery Associates, Architects and Engineers, Bengaluru, have been practising as a registered Engineer from August 1996 and as an Architect from December 1999.

I have passed BE Civil, ME Structural from Bangalore University.

I am also a Qualified Architect from the Indian Institute of Architects

I have been the proprietor of my own firm Cauvery Associates since 1996, and have completed over 70 large Projects and numerous small projects.

I am an Associate Of The Indian Institute Of Architects since December 1999.

I am also a Registered Architect with The Indian Institute Of Architects since 1999.

I am a member of Association of Consulting Civil Engineers, India, since November 1997.

I am a member of a Indian Concrete Institute since November 1997.

I am a life member of The Indian Concrete Institute, and Chartered Engineer.

I am a Fellow and Member of the Indian Institute Of Valuers since June, 1998 and am also an Approved Valuer.

All the above mentioned statements are true.

Thank you,

 25/07/2018
