Urban Design Consultants

TO WHOM IT MAY CONCERN :

This is to certify that **Mr. Sangram Keshari Shaw**, an architect, graduated from ABIT- Piloo Mody College of Architecture, (affiliated to Biju Pattanayak University Of Technology), Cuttack, Orissa, has worked in our office from Aug'2010 to March'2015, as Architect.

He joined after having done six months training in our office in 2009, as per the course curriculum. At the later part of his tenure, he took active role in coordination with services consultants, the contractors and site along with preparation of drawings and design development in the studio.

During this period he worked mainly on the following projects :

Prefab EWS housing of D D A at Rohini, Dwarka and Narela, New Delhi
20000 houses spread over on 9 housing pockets

RAJASWA BHAVAN at New Delhi

- part work on design development and presentations for a competition entry.

Prefab LIG housing of D D A at Rohini and Narela, New Delhi
26000 houses spread over on 12 housing pockets.

Mass Housing for DDA at Vasant Kunj, New Delhi
1214 houses of HIG/MIG/LIG category on a 8.15 HA site

DUNNU RESORTS at chail, Himachal Pradesh
resort with cottages and rooms with spa etc. on a sloping hill

Cat-II & EWS Housing for DDA at Narela
approx 660 cat-II and 4500 EWS houses at 2 pockets with double basement.

HIG Housing at sector 30, Naya Raipur, Chattisgarh
- part work on design development and presentations for project.

He is a good team member and we found him sincere in his works and attitude towards fulfillment of responsibility entrusted. We wish him all the success in his life.
