Internship Experience Certificate

This is to certify that Ms. Anannya Jha of 5th Year, Bachelor of Architecture programme at NIT, Raipur, has completed her Professional Training at Hexagramm Design Studio from 1st August 2020 to 23rd January 2021. She has worked on the following projects during her employment in the studio -

Sanjay Gupta Farmhouse, Gadhaipur, New Delhi – Interior detail drawings of toilets, dressers and bedrooms rooms including set out, electrical plans, RCP, flooring details, detailed elevations and finishing; Interior detail drawings for terrace staircase and Gym; Detailing of Joinery and other details for toilets; Preparation of modular kitchen layouts; Designing and conceptual visualization of KG bathroom, Hardware research for bathroom cabinetry, Internal detailing for cupboards; electrical drawings and elevations; material requirement calculations for toilets.

She was an asset to the studio and we wish her all the very best in her future ventures and directions in her professional life, as well as future academic prospects. We would welcome her back as a fresher architect, should she choose to apply after graduation.
