WHOM SOEVER IT MAY CONCERN

This is to certify that Sri Sachchida Nand Lal, who is a graduate civil Engineer, resident of Lohardaga, has worked with me since January 1995 to December 1999 and was looking after different types of construction works going on in and around Lohardaga and Gumla districts apart from mission works at different parts of M.P. Apart from the supervision works, he used to prepare drawings, estimates and valuation reports for the projects as and when required. He is a Member of Institutions Of Valuers also.

During his stay with me I found him a very hard, sincere and intelegent engineer and I wish him every success in his life.

Place : Ranchi

### **TO WHOM IT MAT CONCERN**

This is to certify that Sri Sachida Nand Lal, a graduate Civil Engineer, resident of Lohardaga, has worked with me since January 2001 to January 2013 and was looking after different types of Civil Construction works around Lohardaga and Gumla Districts.

Apart from the supervision of the works, he used to prepare the drawings, to prepare the estimated cost of the projects along with helping in valuation of immovable properties.

He is a member of Institution of Engineers and Institution of Valuers.

He is a very hard working Engineer and very sincere in his work.

I wish every success in his life.
