To,
The RRDA,
Ranchi, Jharkhand,

Regarding: - Work Experience.

Dear Sir,

I Praveen Kumar, S/O Late Murli Prasad Gupta, **Owner of Ketki Consultancy Engineering Services**, Ranchi, Jharkhand. I am doing work in Architecture work in Since 2003.

Ketki Consultancy Engineering Services, Ranchi (KCES) was established in September 2003. Ketki Consultancy Engineering Services is one of the reputed Engineering, Quality Control (Soil, Material), and Structural Design, Surveying and planning consultancy organizations in Eastern India operating from Ranchi. Team consists of group of highly qualified and experienced Engineers and Planners. The group has developed necessary expertise in providing consultancy of high standard by adopting the most practical approach to the work.

KCES has successfully completed several Residential and Commercial Building for Government and Private assignments including highway & Testing projects. KCES has also NABL, ISO 9001:2015 approved Laboratory.

Thanking you,

With Regards,

For Ketki Consultancy Engineering Services,

Praveen Kumar
