Dear Sir,

I am a practicing Structural Engineer working for last 35years. I am handling my Projects all over India. I have handled various projects like Institutional, Residential, Commercial, Hotels, Malls, Industrials buildings. I have designed residential building upto 35 floors and the work has been completed for almost 100 buildings designed by me. Godrej Waterside at Kolkata (Area about twenty two lacs Sqft.2b+g+22 stories including podium) is completely designed by me and the work is completed under my periodic supervision. I have also designed structures for Tata Technodyneat Pune, Panorama Museum at Kurukshetra, Bengal Ambuja Housing –Upohar(G+20 - 60.0 m Height) at Chackgaria, Kolkata, City Center at Siliguri, BIO-WONDER Commercial Building (2B+G+20 – 84.0 m Height) at Anandapur, Kolkata and Novotel Hotel at Rajarhat, Kolkata. All the buildings have been completed successfully.

My Organization is using Structural Design Software Staad Pro and Etabs.

Thanking You.
