Sub: Initiation of Online Water Management System (WMS)

Dear Executive Officers/Engineers, Municipal Commissioners, Special Officers,

With reference to the above subject, it is pleased to announce that, our Water Management System (WMS) has been successfully launched to approve the water connection application in your local bodies. As you know, the state has the top priority to use this application to approve the water connection application where pipe water system is available within 30 working days which has been notified on 17th May 2016 in the state. On this domain, the following two directions to be obeyed as a top priority in your task list;

- ❖ To accept the water connection approval proposal through online WM System from the date of 7th June 2016
- ❖ For generation proof of usage of the system, to approve one or two water connection application through WM System within 12th June 2016

Water Management (WM) System has been hosted on www.udhd.jharkhand.gov.in. For technical assistance you may reach to Mr. Aszad Khan (email:-aszad.khan@sparrowsofttech.com, M- 9334435500), Mr. Deepak Majhi (email: deepak.majhi@gmail.com, M- 8877526346) and Mr. Susanta Dinda (email: susanta.dinda@in.EY.com, M - 8406803667). The list of user names and passwords of admin of each local urban bodies has been enclosed for using the application and create users name for hierarchy to approve the application from the console of admin and default password is 1234 for every console.

Your cooperation will be highly appreciated to achieve the milestone in ranking of state in Ease of Doing Business 2016.

Regards
6/6/16

Rajesh Kumar Sharma
Director, State Urban Development Agency
