TO WHOM SO EVER IT MAY CONCERN

This is to certify that **Mr. Pushkar Raj** S/o Shri Ranjay Pandey has been working with us since 05-06-2019 as a "Project Engineer" in our firm. He has been involved in design and execution of projects involving special purpose equipment and automation. His performance in our company has been very good. We found him very deligent and hard working.

He has left our firm on his own accord for better prospects. We wish him bright prospects in his future engagement.
