

TO WHOSOEVER IT MAY BE CONCERNED WITH

Architectural training certificate

16 Oct 2012

Aamir Hassan has completed his training under my direct supervision. I am satisfied with his work as a student.

Understanding of design, quality of spaces, little more imagination, exposure and dedication will enhance his caliber to become a better designer. He has good ideas about design and can be very effective in certain situations, however, needs to develop coordinated design approach as well.

I wish him a great career ahead.
