

Aman Jaiswal

Architect

(co-founder of AJ Design Studio)

Hello, I'm Aman

want to work as a visiting faculty as I have a successful running firm of my own with more than 5 people working under me, we have successfully completed 50 building projects. Since I love teaching, it will be great exposure for children for their design classes to know practical stuffs , also during their invigilation.

Feb **Banerjee (Civil engineer) on field**
- 2019 (April) - **Owns an architecture firm**
Till date **AJ DESIGN STUDIO**
- 2019 **The Gitaniketan Residential Project**
- Gitaniketan project is our on going project which is spread over an area of 6 acres, Which is Divided Into Two Phase. Phase-I is Bungalows Project and Phase-II are Plots.
- 2021 **BE Home Developers**
- The project is spread over an area of 102 decimal. Inside this project there is a G+8 residential cum commercial building, RMC plant, weighbridge, kitchen, canteen, staff accommodation, material storage, cement godown, etc layout, and details drawing is still going on.
- 2022 **Santiniketan Residence Project**
- This is a G+1 residential building on which a ground floor of 1100 sqft. and first floor 1200 sqft. area. The exterior of the project has been an inspiration by modern building shapes such as the stair hall outer wall is 5 degrees tilt outer side which makes this building unique.

Worked on various other projects which is been uploaded on the website as well as our google page. (AJ DESIGN STUDIO)
