Notes to the Financial Statements

1. Significant Accounting Policies

Corporate Information:

The Darling Housing Private Limited (the Company), is incorporated in 1991. The Company is primarily engaged in the business of real estate in construction of Apartments.

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Accounting Standards specified by the Institute of Chartered accountants of India.

1.2 Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of financial statements and reported amounts of income and expenses during the period. Actual results could differ from estimated. Any revision to accounting estimates is recognised prospectively in current and future periods.

1.3 Accounting convention and revenue recognition

The financial statements have been prepared in accordance with historical cost convention except for such fixed assets which are revalued. Both income and expenditure items are recognized on accrual basis.

1.4 Fixed assets

Fixed Assets are stated at cost of acquisition and subsequent improvements thereto inclusive of taxes, duties, freight and other incidental expenses related to acquisition, improvements and installation, except in case of revaluation of such assets where it is stated at revalued amount. Interest during construction period to finance fixed assets is capitalized.

Expenditure directly attributable to construction is accumulated as Capital Work-in-Progress and is allocated to the relevant fixed assets on a pro-rata basis depending on the prime cost of the assets.

1.5 Depreciation

Depreciation on fixed assets is provided to the extent of depreciable amount on the "Written Down Value Method" and is based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Depreciation on additions/deletions is calculated pro rata from/to the month of additions/deletions

1.6 Investment

Investments held by the Company which are long term in nature are stated at cost unless there is any permanent diminution in value. Any permanent diminution in value of such investments will be met from Reserves. Short term investments are valued at cost or market price whichever is lower. Earnings on investments are accounted for on accrual basis.

Notes to the Financial Statements

1. Significant Accounting Policies

1.7 Employee Benefit

Short term employee benefits (benefits which are payable within twelve months after the end of the period in which the employees render service) are measured at cost.

Long term employee benefits (benefits which are payable after twelve months from the end of the period in which the employees render service) and post employment benefits (benefits which are payable after completion of employment) are measured on a discounted basis by the Projected Unit Credit Method, on the basis of annual third party actuarial valuations.

1.8 Transaction in foreign currency

Sales made in foreign currency are converted at the prevailing applicable exchange rate. Gain/Loss arising out of fluctuations in exchange rate is accounted for on realization.

Payments made in foreign currency, including for acquiring investments, are converted at the applicable rate prevailing on the date of remittance. Liability on account of foreign currency is converted at the exchange rate prevailing at the end of the year except in cases of subsequent payments where liability is provided at actual. Monetary items denominated in foreign currency are converted at the exchange rate prevailing at the end of the year.

1.9 Impairment of assets

At the Balance Sheet date an assessment is done to determine whether there is any indication of impairment in the carrying amount of the company's fixed assets. If any such indication exists the asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. After the recognition of impairment loss the depreciation charged for the assets is adjusted in future periods to allocate the asset's revised carrying amount less residual value, if any, on the written down basis over its useful remaining life.

1.10 Earning per share

In determining earnings per share, the Company considers the net profit after tax and includes the post-tax effect of any extraordinary/ exceptional item. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average number of equity shares considered for deriving basic earnings per share, and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares.

1.11 Intangible assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/ depletion. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalized.

Notes to the Financial Statements

1. Significant Accounting Policies

1.12 Borrowing cost

Borrowing costs that are attributable to the acquisition/construction of fixed assets are capitalized as part of the cost of the respective assets. Other borrowing costs are recognized as expenses in the year in which they arise.

1.13 Taxes on income

Current tax is determined on the amount of tax payable in respect of taxable income for the year. The deferred tax charge or credit is recognized using current tax rates. Where there is unabsorbed depreciation or carry forward losses, deferred tax assets are recognized only if there is virtual certainty of realization of such assets. Other deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future. Deferred tax assets/liabilities are reviewed at each Balance Sheet date based on developments during the year and available case laws, to reassess realization/liabilities.

1.14 Prior Period Adjustments, Extraordinary Items And Changes In Accounting Policies

Prior period adjustments, extraordinary items and changes in accounting policies having material impact on the financial affairs of the Company are disclosed.

1.15 Contingent Liabilities and Provisions

Depending upon the facts of each case and after due evaluation of legal aspects, claims against the Company are accounted for as either provisions or disclosed as contingent liabilities. The Company makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of obligation can be made. Possible future of present obligation that may but will probably not require outflow of resources or where the same cannot be reliably estimated, is disclosed as contingent liability in the Financial Statements.
