SCHEDULE 2

Schedule annexed to and forming part of the Balance Sheet as at 31st March 2019 and the Trading and Profit & Loss Account for the year ended on 31st March 2019

SIGNIFICANT ACCOUNTING POLICIES 1.

A. Basis of Preparation of Financial Statements

The accounts have been maintained on the "Mercantile System" of accounting where in all income and expenditure items are recognized on accrual basis keeping in to consideration the prudence and materiality concepts and in conformity with accounting principles generally accepted in India.

B. Inventories

The stock in trade is valued at lower of cost and net realizable value. Cost is determined using FIFO method and includes relevant overheads, wherever applicable.

C. Revenue Recognition

- (I) Sale are recognized net of returns, on dispatch of goods to the customer and reflected in the accounts at gross realizable value net of VAT Tax.
- Incomes are accounted on accrual basis to the extent it is possible to ascertain the income with reasonable (ii) accuracy.

D. Tangible Assets

Fixed Assets are carried at cost less depreciation .The cost of fixed assets includes other incidental expenses incurred upon the date of commissioning of such assets.

E. Depreciation

Depreciation is charged on written down value of the fixed assets at the rates prescribed in Appendix 'I' to the Income tax Rules. 1962.

F. Borrowing costs

Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale.

G. Provisions & Contingencies

A provision is recognized for a present obligation as a result of past event it is possible that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are determined based on best estimate of the amount required to settle the obligation at the Balance Sheet date.

Contingent Liabilities are disclosed when there is possible obligation arising from the past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount not be made, is termed as contingent liability. Contingent assets are neither recognized nor disclosed in the financial statement.
