To,
The Members of
SHARDA SHELTERS PRIVATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of SHARDA SHELTERS PRIVATE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Companies (Accounting Standards) Rules, 2006 (as amended) specified under Section 133 of the Act, read with the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting
 and, based on the audit evidence obtained, whether a material uncertainty exists related to
 events or conditions that may cast significant doubt on the Company's ability to continue as a
 going concern. If we conclude that a material uncertainty exists, we are required to draw
 attention in our auditor's report to the related disclosures in the financial statements or, if such
 disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit

- evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and
 events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Barajamda, West Singhbhum-833221, Jharkhand. The Company was incorporated under the Companies Act, 2013 on July 21, 2014. The company is in the business of Real Estate and Contractual Assignments.

1.2 Basis of preparation

- a. The financial statements have been prepared under the historical cost convention in accordance with generally accepted accounting principals and the provisions of Companies Act, 2013.
- b. The company generally follows mercantile system of accounting and recognizes significant items of Income and Expenditures on accrual basis unless stated otherwise.
- c. In March 2020, the World Health Organisation declared COVID-19 to be pandemic. The company has considered available internal and external information while finalising various estimates in relation to its financial statements upto the date of approval of the financial statements by the board of Directors. The Company will continue to closely monitor any material changes to future economic conditions. However, the pandemic did not have any material impact on the financial statement for the year ended March 31, 2021.

1.3 Summary of significant accounting policies

a. Use of estimates

The Preparation of Financial Statement in conformity with Indian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets & liabilities and disclosure of contingent liabilities at the date of financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual result could differ from these estimates.

b. Property, Plant and Equipment

Property, Plant & Equipments are tangible assets that are held for use in production or supply of goods or services or for rentals to others or for administrative purposes and are expected to be used for more than 12 months.

These are stated at cost less depreciation. The cost of acquisition or construction is inclusive of freight, duties, taxes and other expenditure incurred till installation.

The cost of an item of Property, Plant & Equipment should be recognised as an asset if, and only if:

- (a) It is probable that future economic benefits associated with the item will flow to the enterprise, and
- (b) The cost of the item can be measured reliably.

c. Depreciation on Property, Plant and Equipment

Depreciation of allocation of the value of Property, Plant & Equipment over its useful life. Depreciation on Property, Plant & Equipment has been provided at the applicable rates prescribed under Schedule II of the Companies Act, 2013 under the Written Down Value method. The useful of the assets has been revised as per the Companies Act, 2013 and the depreciation is charged accordingly.

d. Inventories

Inventories are valued as under:

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components and stores and spares is determined on a moving average basis. Stores and spares which do not meet the definition of property, plant and equipment are accounted as inventories.

NOTES TO ACCOUNTS FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31-03-2021

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

The percentage of completion is determined by the propertion that total contract costs incurred for work performed upto the Balance Sheet date bear to the estimated total contract costs. However, profit is not recognised unless there is reasonable progress of the contract.

(ii) Interest

f. Provisions

A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
