Amendment No. : 01

Amendment Date : 30.06.2014

Contract Cell-Works
Bokaro Steel Plant
Bokaro-Steel City-827001
Jharkhand, INDIA

STANDARD TERMS AND CONDITIONS:

- You will comply with all the provision of labour laws/acts/rules made therein including Factories Act 1948, Contract labour (R&A) Act 1970, EPF & MP Act 1952, Bonus Act 1965, ID Act 1947, ESI Act 1948, Environment Protection Act 1986, Safety Rules issued by central / State Govt. or any other statutory authority from time to time. You shall maintain statutory registers, document and produce the same whenever required for checking by statutory authority/ Principle employer's representatives and CLC Representatives.
- In addition to other relevant document, Adult Register and notice of period of work to be shown to SED for safety clearance.
- You are advised to contact Manager/Pers (CLC) immediately and comply with all formalities as required under relevant law and submit CLC clearance for carrying out the work before starting the work or signing of the contract whichever is earlier. You are further advised to obtain Safety Clearance before start of the work from SED.
- Along with contract document and job instruction from contracting dept. the contractor along with supervisor will go to Safety Engg. Deptt. where he will further be briefed and contractor's Safety Rules Book will be handed over to him & explained. The contractor is not permitted to start the job without clearance from Safety Engg. Deptt.
- You will have to provide a list of workers to be engaged well before the start of the work. All the labour and supervisor must be physically made available to undergo Safety Training programme in the Safety Engg. Deptt. and obtain certificate before engaging them on the job. Contractor's labours without certificate of training from Safety Engg. Deptt. shall not be allowed to work.
- Safety of workers employed by you is entirely your responsibility and in the event of any worker accident major or minor, the workman can be admitted to BGH if your supervisor is not available to give adequate medical care and the cost of treatment can be recovered from your monthly bills. Safety guidelines must be followed strictly.
- As the area of work is highly sensitive with respect to safety hazards the contractors must take proper work permit, shutdown clearance and other instruction from Engineer-in-charge, daily before starting the work. You will follow all the safety precautions and rules in this regard.
- Without prejudice to the rights conferred by the clause above for stoppage of work for violation of Safety requirements, contractors shall be liable for penalties mention below:-
a. Upto Rs 5000/- by DGM(Safety)/Head of Safety Engg Department/Head of the Department where work is being done for 1st violation of safety norms, non-use of PPEs (Personal Protective Equipments) like safety shoes, hand gloves, safety helmets, goggles etc as per work requirements by the contractor or his workers. This condition is applicable in case of violations of Road Safety norms also.
b. Fine upto Rs 20,000/- on 2nd violation as mentioned in Clause 8(a) above.
c. The contractor shall be debarred for one year/deregistered from taking up further contractual work in BSL from the date of issue of debarring/de-registering order on 3rd violation as mentioned in Clause 8 (a) above.
d. Fine upto Rs 10,000/- for violation in use of Full Body Harness by the contractor or his workers for working at height (above 1.8 meter from immediate floor).
e. Fine Rs 25,000/- (minimum) to Rs 50,000/- (maximum) for serious injuries and disabilities caused by violations as mentioned in Clause 8(a) and 8(d).
f. Independent of the above, the contractor shall be fined Rs 1,00,000/- (Rs 10 lakh) or more and debarred/de-registered from taking up further contractual work in BSL from the date of issue of debarring/de-registering order in case any Fatal accident occurs due to violations as mentioned in Clause 8(a) and 8(d).
- No Claim on account of idle labour, interruption of work or any other expenses incurred by the contractor for any reason whatsoever will be entertained.
- You will return all the gate passes of your workers after completion of the contract duty forwarded by the executing deptt. and deposit it to CISF through Contract Labour Cell and obtain an endorsement in final CLC clearance to this effect. Final bill of the contractor will not be released to him unless the same is accompanied with the above certificate.
- You are to make provision of third party insurance at least of the value of Rs 50,000/- during the contract period.
- You are further requested to send your authorized representative along with non judicial stamp paper of Rs.100/- from the state of Jharkhand for signing of agreement (applicable for w/o value above Rupees Ten lakh only).
safety shoes, hand gloves, safety goggles safety belts for working at height etc.)
- Contractor shall produce Medical fitness certificates for his workers prior to CLC. Clearance for works at height #Height 'Passes' to be obtained from Safety Engg Deptt.
- In case you fail to make payment of wages to your workers by 10th of the month, BSL being the principal employer, will make such payment of wages to your worker and the amount so paid plus 15% as administrative fee will be recovered from any of your bill. In case you failed to pay wages to your worker in time for the second time, your firm will be deregistered. Timely and regular payment of wages will also be a criteria for evaluation work execution of work performance
- Whenever engagement of contract labour for a period of three months or more is envisaged, the gate pass shall be issued only if the bank account is mentioned & monthly wages shall be payable to the contract labour through their respective saving Bank account. However for contract labour engaged for a period of less than three months receiving payments through saving bank account will be optional
- You will have to pay an amount of Rs 38.46 per day of actual attendance per month (not exceeding Rs 1000/- per month) to the workers deployed by him in the job as Additional Welfare Armenty (AWA).
- Completion Period: is as mentioned on the first page of NIT. However, BSL reserves the right to modify the completion period with or without imposition of LD. Extension of completion period, if any, may be granted to the contractor without any escalation (even if an contract provides price variation/escalation clause) However, de-escalation if any shall be availed of by BSL.
- The party shall have to submit an undertaking to Pers/CLC before start of the work stating that they are fully committed towards SA:8000 and shall comply with the requirements of the system. BSL would prefer tenderers who implement the requirements of SA:8000 (Social Accountability System) and would like to have access to their premises to assess the extent of their implementation.
- During Operation of the Contract, if there is an upward revision of minimum wages, VDA by the appropriate Government, the Contractor shall be entitled to reimbursement of such additional amount on actual basis subject to production of documentary evidence. The base data shall be the date of Work order.
