Subject: - Application to submit the revised passes drawing with correct project title and Sub Use.

Respected Sir,

Warm regards,

With reference to the sanctioned drawing having file no - MNAC/BP/0053/W09/2024, whose land owner names are Smt. Nadeema Akhtar & Mr. Sanjar Alam, I would like to inform you that by mistake we have made an error while typing the project title, and in Sub Use Column where instead of typing "proposed residential project "and Non Apartment we wrote " proposed personal residence". Due to which we are facing problems. That's why we want to revise the drawing by resubmitting the file again, please allows us to do this.

Sir, we hope u would understand our situation and would definitely help us to come out of it.

Thank you.

Yours sincerely

1. Smt. Nadeema Akhtar

2. Mr. Sanjar Alam
