

The drawing set includes the following components:

- Site Plan:** Located in the top left, showing the building footprint on a plot with landscaping and site boundaries.
- Front Elevation:** Shows the main facade of the building with windows and doors.
- Right Side Elevation:** Shows the side profile of the building.
- Section ON X-X:** A vertical cross-section showing the internal structure, including the roof, floor, and foundation.
- Section ON Y-Y:** Another vertical cross-section showing a different part of the building's internal structure.
- Location Plan:** Shows the building's position relative to its surroundings, including roads and other structures.
- Specifications:** A detailed list of materials and construction requirements, including concrete, masonry, and finishes.
- Schedule of Area:** A table summarizing the building's area, including floor area, roof area, and total area.
- Structural Details:** Small diagrams showing specific construction details for joints and connections.
- Tables:** Several tables at the bottom of the drawing set, likely containing material schedules or other project data.
