| Street address: I ENSAHUDI/SERAI ELLA  CEWSSR(N:) : ASS&BCS/SKI '21/2021  Issue date : f CEWSSR: 28/0: '2021  With respect to 1 e building work f rabove said proj ct / proposal typs with respect of a ove referred plot I Certify;  1. That the building has beer constructed accoding to structural design and specification prepared I in part f (Structural Design) of the national uilding code of in ia.2005 and othe relevant codes and the design comiles with the Eart quake safety rectifement nave been maintained.  2. That the construction has een done under the supervision are guidance and achieves to the structural drawing and pecification prepared I in the Eart quake safety rectifement nave been maintained.  Any subsequent changes of deviation from the struct ral drawing and sheefications shall be the responsibility of the owner/ uilder.  Any subsequent changes of deviation from the struct ral drawing and sheefications shall be the responsibility of the owner/ uilder.  Any subsequent changes of deviation from the struct ral drawing and sheefications shall be the responsibility of the owner/ uilder.  Any subsequent changes of deviation from the struct ral drawing and sheefications shall be the responsibility of the owner/ uilder.  Any subsequent changes of deviation from the struct ral drawing and sheefications shall be the responsibility of the owner/ uilder.  Any subsequent changes of deviation from the struct ral drawing and sheefications shall be the responsibility of the owner/ uilder.  Any subsequent changes of deviation from the struct ral drawing and sheefications shall be the responsibility of the owner/ uilder.  Any subsequent changes of deviation from the struct ral drawing and sheefications shall be the responsibility of the owner/ uilder.  Any subsequent changes of deviation from the struct ral drawing and sheefications shall be the responsibility of the owner/ uilder.  Any subsequent changes of deviation from the structural sheefication from the structural sheefication from the structural sheefication f |
| With respect to the building work of rabove said project / proposal type with respect of a over referred plot   Certify;  1. That the building has beer constructed according to structural design and specification prepared the which incorporates the provisions of structural sets of the national uilding code of in ita, 2005 and othe relevant codes and the design commises with the Earl quake safety recritement nave been maintained.  Any subsequent changes of deviation from the struct ral drawing and secifications shall be the responsibility of the owner / uilder.  Any subsequent reginator of itangineer / chilengineer / or itengineer  |
| With respect to the building work for above said project / proposal type with respect of a overeferred plot I Certify;  1. That the building has been constructed according to structural design and specification prepared the methich incorporates the provisions of structurals fety normal part (Structural Design) of the national milding code of in its,2005 and othe relevant codes and the design complies with the Eart quake safety recuirement rave been maintained.  Any subsequent changes of deviation from the struct ral drawing and specifications shall be the responsibility of the owner / milder.  Any subsequent changes of deviation from the struct ral drawing and specifications shall be the responsibility of the owner / milder.  Any subsequent changes of deviation from the struct ral drawing and specifications shall be the responsibility of the owner / milder.  Any subsequent changes of deviation from the struct ral drawing and specifications shall be the responsibility of the owner / milder.  Any subsequent changes of deviation from the struct ral drawing and specifications shall be the responsibility of the owner / milder.  Any subsequent changes of deviation from the struct ral drawing and specifications shall be the responsibility of the owner / milder.  Any subsequent changes of deviation from the struct ral drawing and specifications shall be the responsibility of the owner / milder.  Any subsequent changes of deviation from the struct ral drawing and specifications shall be the responsibility of the owner / milder.  Any subsequent changes of deviation from the struct ral drawing and specifications shall be the responsibility of the owner / milder.  Any subsequent changes of deviation from the structural segment rate of the segment rate of the segment rate of the s |
| 1. That the building has beer constructed according to structural design and specification prepared the which incorporates the provisions of structural stety norm specified in part (Structural Design) of the national milding code of In 1a,2005 and othe relevant codes and the design complies with the Eart guake safety reconstruction has been done under my supervision and guidance and achieves to the structural drawing and pecification prepared to the structural step and the design complete to the design complete  |
| Any subsequent cranges of deviation from the struct ral drawing and size in consistency shall be the responsibility of the owner / uilder.  Antina Sanna Bhagabati ch. Sanna Antina Sanna Bhagabati ch. Sanna Antina Sanna Bhagabati ch. Sanna Bhagabati ch. Sanna Bhagabati ch. Sanna Sanna Bhagabati |
