Plot No.- 31P/32, Puggu,
Dist.-Gumla, Jharkhand.

Sub: Regarding CTE/CTO Exemption under Notified JSPCB White Category.

Ref: - Units letter and project report submitted in hard copy

Sir,

With reference to above said letter in which you have mentioned that you want to Setup "manufacturer of chain link fencing wire" in the Gumla Industrial Area.

In this regard this is to inform you that as per categorization of industrial Sectors by Central Pollution Control Board, Delhi. Engineering & Fabrication units (Dry process without any heat treatment/metal surface finishing operations/painting comes under Sl. no.-14 of white category.

Whereas the Board has adopted the above categorization vide letter no.-B-05, dated-03.05.2016 and Memo no.-B-2782 dated-03.05.2016 and thereby has also provided exemption from obtaining Consent to Establish (CTE)/ Consent to Operate (CTO) from the Board.

Therefore your unit is exempted from obtaining consent from the Board provided the manufacturing process does not involve any heat treatment/metal surface finishing operations/painting. If any changes in manufacturing process are made then you are directed to immediately inform the Board and if required obtained CTE/CTO from the Board.

Yours faithfully

(Gopal Kumar)

Regional Officer, Ranchi.
