With respect to the building work for above said project/proposal type with respect of above referred plot. I certify:

- That the building has been constructed according to structural design and specification prepared by me which incorporates the provisions of structural safety norms as specified in part 6 (Structural Design) of the national building code of India, 2005 and other relevant codes and the design complies with the Earthquake safety requirement.
  - That the construction has been done under my supervision and guidance and adheres to the structural drawings and specifications prepared by me and records of supervision have been maintained.
- Any subsequent changes or deviation from the structural drawings and specifications shall be the responsibility of the owner / builder.
