### 3. Password Change & Expiry

- Passwords must be changed **at least every 60 days**, or as prompted by the system.
- Passwords **must be changed immediately** if compromise or suspicious activity is suspected.

---

### 4. Account Security

- **Do not share your password** with anyone, including colleagues or IT staff.
- IT Team will **never ask for your password** via email, call, or chat.
- Enable **Multi Factor Authentication (MFA)** wherever available (e.g., Microsoft Teams, Email, CRM).

---

### 5. Storage & Handling

- Do not write passwords on paper or store them in unsecured files.
- Use only **approved password managers**, if required.
- Always **log out** from applications when not in use, especially on shared systems.

---

### 6. Compliance & Violation

- Non-compliance with this policy may result in:
  - Temporary account suspension
  - Mandatory password reset
  - Disciplinary action as per organizational policy

---
