I am possessing the required qualification and experience to act as a Structural Designer. This is to certify that I am appointed as the Accredited structural engineer/designer to prepare the structural report, structural details and structural drawings for the above mentioned project. I am fully conversant of my duties and responsibilities under the GIFT Area Development Control Regulations and assure that I shall fulfill them in all respects. I have prepared and signed the structural design and drawing of the proposed building as per the prevailing Indian Standard Specifications and further certify its structural safety, adequacy, constructability, maintainability and stability in design.
