## 1. Introduction

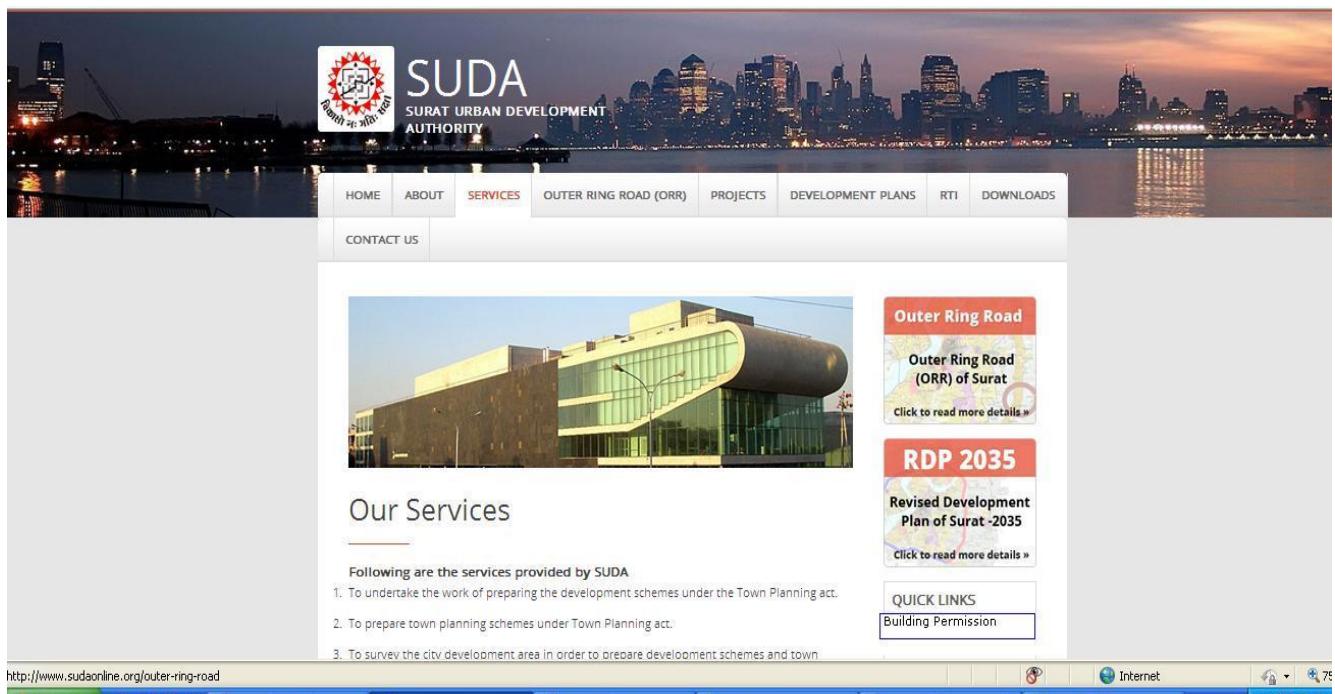

Auto DCR is the automation of the approval process, followed for approval of architectural plans. It is an application customized for efficient management and approval of the drawings. It helps in attaining standardization and hence transparency in the total process of building permission. The complete building approval management system will be a web based system where Architects submit the plans and proposal basic data on line. In built Customized workflow available for approval based on power delegation. The proposal will be finally approved or rejected after different levels of scrutiny.

## 2. Screens Help

### 2.1. Link from SUDA Website

Architects/ LE can access the SUDA online submission directly also from the URL.

The link will be found on the Surat Urban Development authority website, ([www.sudaonline.org](http://www.sudaonline.org))

## 2. 2 Applicant Registration

Every Architect who intends to submit the proposals online at SUDA can do so by one time registering himself/ herself at the SUDA by Administrator.

Architect has to submit his personal information such as name, firm name, registration no. validity, contact information etc.

The screenshot shows the 'SURAT URBAN DEVELOPMENT AUTHORITY' Administrative Console. The left sidebar contains a navigation menu with categories: Holidays, Master (Department, Designation, Office\_Category, Office, Post-Office, Conditions, Bank), Templates (Console, Work Flow, Document Number), Register (Employee, Architect), Configuration (Configuration), and Profile. The main content area is titled 'Personal Information' and includes a note: 'Items marked with \* are mandatory'. The form fields are as follows:

Field	Value
Name (First, Middle, Surname)	Sudhir, , Desai
Firm Name	SEPL
Registration No	LH-34896
Valid Up To	24/09/2016
Qualification	BE
Address1	322, Narayan peth, Pune-411034
Address2	
City	Solapur
PIN Code	
Phone Number	23478278934
Mobile Number	3457353848
State	Maharashtra
E-mail	
Login Name	sudhir
Password	***** (Strong)
Re-Enter Password	*****

On successful registration Architect can login to the Surat Urban Development Authority (SUDA) system using his/ her login credentials.

## 2.4 Proposals

The architect needs to submit the proposal information from their office and submit the hard copy file to the SUDA for physical submission.

### 2.4.1. New Proposal

After clicking on the Create a **NEW**, following application form appears. The form is divided in to two sections for easy navigation.

- Proposal information
- Applicant information

#### 2.4.1.1. Proposal Information

The Architect needs to fill the following details.

##### Proposal information

- Application Type
- Project Type
- Nature of Development
- Village , Zone

##### Site Address

- TP/DTP scheme No, Survey No./Rev. Survey No., Final Plot No., Block No. , Original Plot No. , City Survey No, Taluka , Pin Code , Plot No./Sub Plot No., Original plot area , Final plot area etc

## Approved Layout by Appropriate Authority

- Sanction Number , Sanction date
- Authority Name

The screenshot displays the SUDA (Surat Urban Development Authority) web application interface. The user is logged in as 'Latika Bhosale (ARCHITECT)'. The main menu on the left includes 'Status', 'Proposal', 'Outward', and 'Profile'. The 'Proposal' section is active, showing options like 'Ready To Submit', 'Resubmit', 'Rejected', and 'Approved'. The main content area is titled 'Proposal Information' and contains two sections: 'Proposal Information' and 'Site Address'. The 'Proposal Information' section has four dropdown menus: 'Application Type' (General Proposal), 'Project Type' (Development Permission), 'Nature of Development' (New), and 'Village' (Asarama). The 'Site Address' section has six text input fields: 'TP/DTP scheme No.', 'Final Plot No.', 'Original Plot No.', 'Survey No./Rev. Survey No.', 'Block No.', and 'City Survey No.'. There are 'Save' buttons at the top and bottom of the form area.

### The Architect needs to fill the following details.

- Proposal information.
- Applicant Information
- Attach the pre DCR formatted drawing file by clicking “attach” button.
- Click save button to save the proposal.

Proposal is created with a temporary number. Below screen shows the actual form.

#### 2.4.2. Applicant Information

- Architects Information
  - o Consultant type, Name of Architect, Email, mobile number
- Applicants Information
  - o General details of applicant such as Name, Mobile, permanent address, email, pin, Power Of Attorney (POA) Name etc.
- Developer Information
  - Is This Building for Self use or selling purpose?
  - 1. Selling or 2. Self Use
- Attach the pre DCR formatted drawing file by clicking “attach” button.

- Click save button to save the proposal.

The screenshot displays the SUDA (Surat Urban Development Authority) web portal interface. The user is logged in as 'Latika Bhosale (ARCHITECT)'. The main navigation menu includes 'Status', 'Proposal', 'Outward', and 'Profile'. The 'Proposal' section is active, showing a 'Save' button and a 'Ready To Submit' status. The 'Applicant Information' form is filled with the following details:

Applicant's Information	
Applicant type	Architect
Name	Latika Bhosale
Email	email@gmail.com
Mobile	9822937522

Owner's Information	
* Name	Latika Bhosale
* Permanent Address	Pune
* PIN	234234
* Mobile	4234234234
Email	
* Power Of Attorney (POA) Name	Sanket

After all details are filled by architect and clicking on **save** button the proposal with temporary file number will be created with confirmation.

The screenshot displays the SUDA Architect/Engineer/Surveyor Console interface. At the top left is the SUDA logo (SUDAN URBAN DEVELOPMENT AUTHORITY). At the top right, it says 'Architect/Engineer/Surveyor Console' and 'AutoDCR'. Below the header, a blue bar says 'Welcome Latika Bhosale ( ARCHITECT )' and 'Logout'. A left-hand navigation menu includes sections for Status, Proposal (with sub-items: New, Ready To Submit, Resubmit, Rejected, Approved), Outward, and Profile. The main content area has tabs for Proposal Information, Attach Drawings, Documents Checklist, Plot Details, Area Details, and Building Details. A 'Save' button is visible at the bottom left of the main area. A modal dialog box titled 'Message from webpage' is centered, showing a yellow warning triangle icon and the text: 'Proposal with File Number: SUDA/Temp/0085/14-15 is Created.' with an 'OK' button. At the bottom right of the page, it says 'Powered by SoftTech Engineers PVT. LTD.'.

### 3 Ready to Submit

Once the proposal is successfully created it will move in to the “Ready to Submit” section. Architect needs to provide project information regarding Area, Building, Plot details before the proposal can be sent to SUDA Inward Clerk. After clicking on the file number, following screen appear.
